Thoughtfully renovated and impeccably maintained, this beautiful Pinehurst home offers approximately 2,000 square feet of lovingly updated living space that strikes the perfect balance between modern upgrades and comfortable livability. From the moment you arrive, wood detailing and show-stopping curb appeal set the tone for what awaits inside. Step through the front door into a light-filled, spacious living room featuring rich oak hardwood floors that flow throughout the entire home. The living room is wired with floor outlets -- including USB ports -- and anchored by a wood-burning fireplace that has been stripped, painted, cleaned, and serviced, complete with fireplace grate and tools. Custom Lutron Buster & Punch light switches in the kitchen, entryway, and primary hallway add a designer touch, while all recessed lighting has been replaced and all-new light fixtures were installed throughout in 2022. The kitchen is the true heart of the home, boasting plentiful cabinetry, quartz countertops, a penny tile backsplash, a pot filler, double oven, and a well-appointed island with added outlets. A custom pantry with built-in shelving keeps everything organized, and the eat-in breakfast area makes everyday living easy and bright. All windows throughout the home were replaced with Pella windows in 2019, flooding every room with natural light. The primary suite is a serene retreat with private access to the back porch, new windows
